

WARNING SYMPTOMS.

Don't neglect these. If you have symptoms of Consumption, Catarrh, Bronchitis, Neuralgia, or the indications of any other disease which may be chronic, do not neglect the warning indications. Meet the enemy upon the very threshold, and while your vitality is yet unimpaired, your regular physician fails to reach the case, then we advise you to try the new Vitalizing Treatment of Drs. Starkey & Paley, 110 Grand street, Philadelphia. It will be found an almost certain means of restoration—the way back to health—an agent that may save you from a life of invalidism or from premature death. In saying this, we are not speaking lightly, nor from mere professional interest, nor from theory or general assumption, but from the fact that we have offered an array of facts and results so large, so well authenticated, and so positive, that no one in the habit of weighing evidence can doubt them. If you write to Drs. Starkey & Paley, they will send you such documents and reports of cases as will enable you to decide for yourself whether this treatment will benefit you. All orders for the Compound Oxygen Home Treatment directed to H. E. Matthews, 606 Montgomery Street, San Francisco, will be filled on the same terms as if sent directly to us in Philadelphia.

STORM SIGNALS.

As the coming of a great storm is heralded by the display of the cautionary signals, so is the approach of the fatal disease, Consumption of the Lungs, usually announced in advance by pimples, blotches, eruptions, ulcers, glandular swellings, and kindred cutaneous manifestations of the internal blood poison, which, if not promptly expelled from the system, attacks the delicate tissues of the lungs, causing them to ulcerate and break down. Dr. Pierce's "Golden Medical Discovery" is the great remedy for this, as for all diseases having their origin in the blood. It improves the appetite and digestion, increases nutrition and builds up the wasted system.

PILES: PILES: PILES!

A SURE CURE FOUND AT LAST NO ONE NEED SUFFER. A sure cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. Williams' Pink Pills. A single box has cured the worst chronic case. It is a 25 cent preparation, and will cure you after applying this wonderful soothing medicine. Lotions, ointments, and other remedies do more to irritate the internal blood poison, which, if not promptly expelled from the system, attacks the delicate tissues of the lungs, causing them to ulcerate and break down. Dr. Pierce's "Golden Medical Discovery" is the great remedy for this, as for all diseases having their origin in the blood. It improves the appetite and digestion, increases nutrition and builds up the wasted system.

Another Life Saved.

Early last winter my daughter was attacked with a severe cold, which settled on her lungs. We tried several medicines, none of which seemed to do her any good, but she continued to get worse, and finally raised large amounts of blood from her lungs. We placed in a family physician, but he failed to do her any good. At this time a friend, who had been cured by Dr. Wm. Hall's Balsam for the Lungs, advised me to give it a trial. We got a bottle, and she began to improve, and by the use of three bottles was entirely cured.

TO THE PUBLIC, GREETING:

Boards of Health are now everywhere correcting the faults of sewerage and advising the people how to prevent future epidemics. But other precautions are necessary, without which no amount of Sanitation can avail. Dr. Koch says that cholera has but little chance among those who keep the digestive organs and the liver, skin and kidneys (the sewers of the body) in healthful operation. Warner's SAFE Remedies are the best scientific Curatives and Preventives, and we cannot too much emphasize the importance of using them now, as a safeguard against any future scourge. Much of the common ailments are caused, not primarily by bad blood, but by IMPAIRED LIVER AND KIDNEYS. This results in blood corruption and injury to the entire system. Remove this impaired action, and most ordinary ailments will disappear. Other practitioners have held that extreme liver and kidney disorders are incurable. We, however, by the severest tests, have unanswerably proved the contrary. Please note: FIRST.—WE DO NOT CURE EVERY KNOWN DISEASE FROM ONE BOTTLE. Warner's Safe Remedies are specific, which have been successively put upon the market ONLY IN OBEDIENCE TO STRONG PUBLIC DEMAND. These remedies are: Warner's SAFE Cure, for kidney, liver, bladder and blood disorders, General debility, Impotency, Gravel, female irregularities; Warner's Safe Diabetes Cure, for Diabetes—the only known specific; Warner's Safe Rheumatic Cure for Rheumatism, Neuralgia; Warner's Safe Pills for constipation, diarrhoea, biliousness; Warner's Safe Nerve for nervous disorders; Warner's Safe Throatine for Asthma, catarrh; Warner's Tippecanoe for all stomach derangements.

SECOND.—Warner's Safe Remedies, spite of all opposition, have won the victory and are everywhere recognized as leading STANDARDS. THIRD.—After six years of unequalled experience, we give these unqualified guarantees: GUARANTEE I.—That Warner's Safe Remedies are pure, harmless, effective. GUARANTEE II.—That the Testimonials used by us, so far as we know, are bona fide, with a forfeit of \$5,000 for proof to the contrary. GUARANTEE III.—That Warner's Safe Remedies are NOT MERELY TEMPORARY, BUT PERMANENT, IN THEIR CURATIVE EFFECTS AND WILL SUSTAIN EVERY CLAIM, IF USED SUFFICIENTLY AND PRECISELY AS DIRECTED.

FOURTH.—Special inquiry among hundreds of our oldest patients results in unequivocal testimony that the cures wrought six, five, four and three years ago, were PERMANENT. And most of these Patients were pronounced INCURABLE when they began Warner's Safe Remedies. Read a few of Thousands of examples:

T. O. LEWIS, Esq., Customs Officer, San Francisco, Cal., suffered for 10 years from Gravel and kidney disorder. Physicians said he could never be cured, but 4 bottles of Warner's Safe Cure, in 1887, restored him to the full cure in 1887, he wrote: "The cure in 1887 is permanent." B. F. LARABEE, Esq., 42 Chester Square, Boston, Mass., in 1879, was given up by several prominent Boston physicians as incurable from Bright's Disease. He took over 200 bottles of Warner's SAFE Cure, in 1880-2, and Oct. 6, 1884, wrote that the "cure was as permanent as surprising." ELDER JAMES S. PRESCOTT, Box 262, Cleveland, Ohio, founder of North Union Shakers. In 1878 was pronounced incurably sick of chronic Bright's disease, by the best physicians. Then he resorted to Warner's SAFE Cure, March 19, 1883, wrote: "Health never better. I am enjoying my 80th year. Oct. 18, 1884, 'I am enjoying a very comfortable degree of health.' He says also: 'I am an enthusiast over Warner's SAFE Cure.' Used 4 doz. bottles. Mrs. S. A. CLARK, East Granby, Conn., in 1884 was utterly used up with constitutional and female complaints of the worst kind. In November, 1884, she wrote: "Warner's SAFE Cure cured me four years ago, and has kept me well to this day." R. H. McMICHAEL, of Emporia, Kans., in 1880, while living at South Bend, Ind., had inflammation of the bowels and a hard lump formed on his right side covering half the abdomen. Forty doctors examined him, five treated him but gave him no hope of cure. He lost sixty-five pounds of flesh. June 1st, 1884, he began using Warner's SAFE Cure, 23 bottles of which fully restored his health. July 15th, 1884, he wrote, "My cure is permanent. I was a living skeleton, who was restored by the use of Warner's SAFE Cure." THE REV. ANDREW J. GRAHAM, (P. E.) Granby, N. H., in 1881 was pronounced fatally sick with Bright's disease. He could get no relief from physicians. He then used Warner's SAFE Cure. July 1, 1884, he wrote from England, "All local trouble has disappeared. Have taken no medicine for nearly a year." JNO. L. CLARK, M. D., Waterloo, N. Y., in 1881 was prostrated with Bright's disease, crick on the back, rheumatism and malaria. From the latter he had suffered for fifteen years without help. In July, 1884, he says: "Warner's SAFE Cure cured me in 1881, and I am now sound and well."

A Dangerous Case. Rochester, June 1, 1882. "Ten Years ago" was afflicted with the most intense and deadly pain in my back and limbs. "Which made me delirious!" "From agony." "It took three men to hold me on my bed at times!" "The Doctors tried in vain to relieve me, but to no purpose. When all hope was gone, I used Hop Bitters. "Morphine and other opiates!" "Mad no effect!" "After two months I was given up to die!" "When my wife heard a neighbor tell what Hop Bitters had done for her, she at once got and gave me some. The first dose eased my brain and seemed to go hunting through my system for the pain. The second dose eased me so much that I slept two hours, something that I had not done for two months. Before I had used five bottles, I was well and at work as hard as any man could for ever three weeks; but I worked too hard for my strength, and taking a hard cold, I was taken with the most acute and painful rheumatism all through my system that ever was known by any man living, and have been so for six months. "I called the doctors again and after several weeks, they left me a cripple on crutches for life, as they said. I met a friend and told him my case, and he said Hop Bitters had cured him and would cure me. I pushed at him, but he was so earnest I was induced to use them again. In less than four weeks I throw away my crutches and went to work lightly and kept on using the Bitters for five weeks, until I became as well as any man living, and have been so for six months. "It has also cured my wife, who had been sick for years; and has kept her and my children well and healthy with from two to three bottles per year. There is no need to be sick at all if these Bitters are used. J. J. ENGLISH, Board of Health. "That poor invalid wife!" "Sister!" "Mother!" "O daughter!" "Can be made the picture of health!" "With a few bottles of Hop Bitters!" "Will you let them suffer?" "None genuine without a bunch of green Hop Bitters white label, when all the rest seem stout with 'Hop' or 'Hope' in their name."
